Objet : Application for the Full Stack Developer Position

Dear Hiring Manager,

I am Zakaria Walad, a 1337 student. with practical experience in various projects. I am writing to let you know that I am very interested in applying for the Full Stack Developer Position, I bring strong programming skills, problem-solving abilities, and expertise in algorithms, essential for this role.

I have showcased my development skills in various projects, including building a one-page Pong contest website using React/Nest.js, and containerizing a three-service application stack with Docker. Additionally, I played a key role in constructing a high-performance web server. I am eager to contribute to innovative projects in web development.

Thank you for considering my application. I look forward to discussing how my skills and experiences align with your goals in more detail.

Sincerely,

Zakaria Walad
